Commissioner for Patents

In view of concurrent litigation, and in order to avoid duplication of effort between the two proceedings, action in this reissue application is STAYED until such time as it is evident to the examiner that (1) a stay of the litigation is in effect, (2) the litigation has been terminated, (3) there are no significant overlapping issues between the application and the litigation, or (4) applicant requests that the application be examined. For this reason, action by the Office is suspended on this application under 37 CFR 1.103(e) for a period of 6 months. At the end of this period, applicant is required to notify the examiner and request continuance of prosecution or a further suspension.
